### **CONDITIONS**

Applicants should take note of the following:

1. SATC will offer two prestigious bursaries per year at R170 000 per bursary tax free for fulltime M or D students (South African and SADC) in transportation working on their research component at a South African university. The funds will be disbursed to the university where the student is resident. The student must have been admitted for the programme.

**(Applications to be received by 8 Dec 2023)**

2. The bursaries may be renewable depending on progress.
3. The amount will be paid in 2 instalments – 50% in February and 50% in July.
4. Closing date for applications: 8 December 2023
5. If the student is unsuccessful and does not complete the study, the bursary amount will be repaid, with interest.
6. The bursaries are open to South African and SADC citizens.
7. The student will sign a contract stipulating the above conditions.
8. The SATC has the right to interact on the student's research programme.
9. Holding other sponsorships or bursaries may disqualify a student.
